

Scholarship Application

Scholarships for up to 50% of tuition are available for the 2020-21 school year. Scholarship is not available for Afternoon Care, Drop Ins or other such circumstances.

Applications are due to the ELC Advisory Board by July 15, 2020. Only a certain number of dollars are available and will be divided as the board sees fit. Applications must be accompanied by a copy of last year's tax returns. Applications that are incomplete or turned in without tax returns will not be considered. Scholarships granted are for the school year, but may be discontinued at any time. For questions, please contact Kent Patton, who is the Board Chair for the ELC Advisory Board.
