

Social Media Photo Release

Peace Early Learning Center is on Facebook and Instagram! The Instagram page will be used to reiterate announcements that are sent through parent messages on Brightwheel, as well as reminders about upcoming events, highlight special achievements, and share photos/videos of our day to day operations. We also use photos on our Early Learning Center website; some of our photos/videos may be used by Peace Lutheran Church for publicity and promotional use (including publications, presentations, broadcast via internet, and other media sources). We want to share what's going on at our school!

We understand if you are uncomfortable with your child being on social media. We will never post, share, or publicize any identifying information such as names, birthdates, or other private information. Our number one priority is the safety of our students. We want our families and students to feel like Peace is a safe environment for the children to learn and grow. Please select one of the below statements:

_____ I give permission for my child's photo/video to be posted on the Early Learning Center Facebook and Instagram pages for news, announcements, and special events, and on the Early Learning Center website. I also give permission for Peace Lutheran Church to use these pictures on Facebook and Instagram, as well as other publications and media.

_____ I give permission for my child's picture to be posted solely by the Early Learning Center Facebook and Instagram and on the Early Learning Center website. I do not give permission for Peace Lutheran Church to use photos/videos of my child.

_____ Please do not take any pictures of my child.

Parent Signature: _____ Date _____
